## EDUCATION

Bachelor of Science  
(Data Science)

Silpakorn University

GPAX : 3.60  
2020-2024

## EXPERTISE

- Coding
  - Python
  - R
  - SQL
- Machine Learning (ML)
- Deep Learning
- Natural Language Processing (NLP)
- Computer Vision
- HTML/CSS
- PowerBI

## SKILLS SUMMARY

Coding Skill	90%
Project Management	85%
Problem Solving	80%
Communication Skills	75%
Time Management	70%

## WORK EXPERIENCE

### CMK Corporation (Thailand) Co. Ltd

2025

#### Operation Control Officer

- Supported the implementation of the Asprova system to enhance production planning efficiency.
- Assisted in updating daily routine tasks for the Plan Team.
- Supported the control and monitoring of production plans to ensure alignment with targets.

### SPM FEED MILL Co. Ltd

2024

#### Purchasing Officer

- Issued purchase orders
- Tracked and followed up on product deliveries
- Negotiated and finalized purchasing terms and conditions

## INTERNSHIP EXPERIENCE

### SCG : The Siam Cement Public Co., Ltd.

#### Data Scientist

2023

##### Dashboard

- Create Dashboard** use **Power BI**. Automatic updates in the dashboard, ensuring real-time data availability for enhanced tracking and decision-making efficiency.

##### Python

- Product Category Classification** with **Machine learning** (Decision Tree, Random Forest)

## UNIVERSITY PROJECT

2019-2024

### Deep Learning

- Lyrics-based Classification of music with LSTM
- Sentiment Analyze of Twitter users towards the TCAS system With Convolutional Neural Network
- Classification of folk tales using Convolutional Neural Network

### Computer Vision
